

Myths from pornography

There are many sexual myths derived from pornography. In your pairs can you identify the consequences of these myths?

Myth	Consequence
Most men have large penises	Example - Men feel pressurised if they do not have a large penis
Most people don't use condoms	
Sex is better when it is fast and rough.	
The labia on a woman is quite small	
Large breasts are attractive on women.	
All women enjoy threesomes	
Sex lasts for hours
